## The HBA Offers a 3-in-1 Membership

Being involved in the home building industry in Colorado has many benefits when you join Grand County Builders Association. As a member of your local HBA, you also become a member of the Colorado Association of Home Builders (CAHB) and the National Association of Home Builders (NAHB).

NAHB & CAHB fights for its members on Capitol Hill, in state houses and in the communities where they do business. They work hard to defeat excessive regulations and to protect our members' bottom lines. Their advocacy efforts include educating policymakers and the Administration, building successful coalitions, and mobilizing NAHB's grassroots on a range of issues.

NAHB & CAHB advocate on behalf of its members on a wide range of issues, including tax code, housing programs, regulatory relief, environmental laws, building codes, OSHA, building materials, housing finance and more. A single win in the policy arena can save builders thousands of dollars on every home they build
